SodaStream is revolutionizing the beverage industry! Trendy sparkling water makers from noble to colorful, over 30 different drinks, which can be mixed with our syrups, need your support.

SodaStream is completely unconventional - with its products and its marketing: environmentally friendly, sustainable, innovative, rebellious and with lifestyle - in every respect something special!

To strengthen our team in Limburg / Lahn and Frankfurt am Main, we are looking for a:

Systems and Processes Manager (m/w)

We have to offer

SodaStream GmbH, is a medium-sized company with 190 employees, based in Frankfurt and Limburg and is part of SodaStream International, Nasdaq listed with operations worldwide. We offer an exciting and challenging opportunity in a high growth environment with excellent progression for the right candidate. It's a great working environment with a dynamic and fun loving team and the position comes with an attractive remuneration package including performance related bonus. Good connections to the transport network and public transport round off our profile as a good employer.

Job overview

Reporting into the Senior Business Controller the Systems and Processes Manager will be responsible for ensuring all financial and interfaced systems and processes are effective and in line with group guidelines, best practice and local regulations.

Working hands on, closely with the Senior Business Controller, finance team and all related functions, you'll actively promote and lead change, developing and improving systems and processes and ensuring that the business is fully prepared for new system developments and implementations.

Technical Skills

- Excellent systems skills, system implementation experience
- Experienced in SOX controls and process management
- Full working knowledge of German Gaap and IFRS reporting standards
- Experienced in manufacturing and stock management
- Working knowledge of NetSuite an advantage
- Fluent in English

Personal Skills:

- Full of energy, quick to learn, dynamic
- Thrive under pressure
- Can do attitude
- Strong functional and cross functional team player
- Ability to multitask and work to tight deadlines
- Hands on; excellent attention to detail
- Highly focused and keen to contribute
- Effective communication and transparency

Want to be part of our revolution?
