SodaStream is revolutionizing the beverage industry! Trendy sparkling water makers from noble to colorful, over 30 different drinks, which can be mixed with our syrups, need your support. SodaStream is completely unconventional - with its products and its marketing: environmentally friendly, sustainable, innovative, rebellious and with lifestyle - in every respect something special!

To strengthen our team in Limburg / Lahn, we are looking for a:

## Business Controller (m/w)

### We have to offer

SodaStream GmbH, is a medium-sized company with 200 employees, based in Frankfurt and Limburg and is part of SodaStream International, Nasdaq listed with operations worldwide. We offer an exciting and challenging opportunity in a high growth environment with excellent progression for the right candidate. It's a great working environment with a dynamic and fun loving team and the position comes with an attractive remuneration package. We like to have a good laugh and make party sometimes - good connections to the transport network and public transport round off our profile as a good employer.

### Primary Duties:

Reporting into the Senior Business Controller you are responsible for ensuring all stock controls, systems and processes are effective and in line with group guidelines, best practice and local regulations and supporting the Senior Business Controller in all areas on management reporting and control.

Working hands on, closely with the Senior Business Controller, finance team and all related functions you'll actively promote and lead change, developing and improving systems and processes and helping ensure that the business is fully prepared for new system developments and implementations.

### Your Skills

- Bachelor's degree in Finance/business administration
- Experience in SOX controls, process management
- Experience with NetSuite is seen as an advantage
- Full working knowledge of German Gaap and IFRS reporting standards
- Experienced in manufacturing and stock management
- Fluent in English and German
- You have a "Can do" attitude, work hands on
- You are a "communication person" and happy to work in cross functional teams
